## Wedding Cake Tasting & Consultation

Cake tasting consultations are offered by appointment only and the cost is \$70. Appointments are made on Saturdays between noon-4 PM. The tasting includes up to three (3) cake flavors, three (3) cake fillings or icing types, American Buttercream, and water. *(Please keep in mind the season of your wedding as some filling types do not hold up well in certain seasons and/or temperatures.)* The consultation usually takes up to two hours. Our cake tastings are designed for up to four people. Payment is required at the time of booking your appointment. We will gladly honor a one-time reschedule for your cake tasting appointment with a 48-hour or more notice of your original appointment. If the rescheduled appointment cannot be met, you will have to book again for a new consultation at \$70.

If you choose to cancel your appointment, the \$70 booking fee is non-refundable or transferable. **For all NO shows, the \$70 will be forfeited.**

## Cake Tasting To-Go Package

If your schedule doesn't allow you to do an in-person cake tasting, we can prepare a Cake Tasting To-Go Package for you to enjoy at your convenience. This would be a great way to share with family and friends or to plan a romantic tasting for just the bride and groom. A Cake Tasting To-Go Package can be ordered for pick up with a 72-hour advanced notice for \$60. Payment is due at the time of ordering. If delivery is required, within the Greater Indianapolis area, there is an additional \$15 delivery fee. Additional delivery fees, for locations outside the Greater Indianapolis area, will be discussed upon order confirmation. Please provide the address for delivery, date preferred, and timeframe.

## Your Wedding Cake Price

The consultation will give you the opportunity to share with us all your wedding details. We suggest you bring in any elements of your wedding such as invitations, fabric or paint swatches, flower choices and colors, cake, cupcake/dessert design inspirations, and anything else you would like for us to consider regarding the design of your cake. This can also be sent via email prior to your consultation. A formal quote will be sent within 48 hours of the wedding cake consultation. Custom wedding cakes are priced according to the size, the work involved, complexity of your cake design, and guest count.

*Please note when sending inspiration photos, we do not directly copy any artist's work as it relates to desserts and decor. We will use the photo for inspiration purposes only.*

If you proceed to contract with Tweety's Sweeties, LLC, a 50% deposit is required to hold your event date and time. Payment must be made within 24 hours of signing the quote and is non-refundable/non-transferable to another person or event. The remaining balance is due one (1) month prior to the wedding date.

If a date change is needed, depending upon availability, we will accommodate for a \$150 charge that will be added to the remaining invoice balance. If we are not available for the rescheduled date and the customer cannot proceed with the order, all monies paid to date will be forfeited by the customer and the invoice will be cancelled.

## **Floral Decorations? Who will provide?**

If fresh flowers are desired for your cake design, we ask that you provide them. We're great at decorating cakes, but do not have the expertise in the floral capacity. A professional florist will know which flowers are safe to come in contact with your cake. Work with your florist to provide the flowers you desire for your cake. We will need the flowers delivered to Tweety's Sweeties, LLC at least 48 hours prior to the event date. There is an option to substitute fresh flowers for artificial flowers. This will be discussed during the initial consultation.

## **Things to consider when planning your wedding reception: (Let Tweety's Sweeties, LLC know the answers to these considerations as soon as you can as some responses are needed to provide a quote for services.)**

- Be sure the venue has adequate refrigeration space to accommodate your cake and/or desserts.
- Does the venue have prep space for final touches of the cake upon arrival?
- Will your caterer cut and serve your cake, or will you need a representative from Tweety's Sweeties, LLC to remain present during the reception? If the cater will cut and serve, be sure to confirm if they charge or not.
- Will plates, cutlery, napkins, etc. be provided by the caterer for your cake or do you need Tweety's Sweeties, LLC to provide these items?
- What is the earliest time your reception venue can be ready for delivery and set up?
- Some venues do not allow outside vendors. This is particularly common with wedding venues. Please check with your venue prior to placing an order. Please advise what is needed by Tweety's Sweeties, LLC if the venue allows outside vendors (i.e., copy of insurance).

## **ALLERGY/SPECIAL INGREDIENT REQUESTS**

Even though we are a specialty bakery that takes custom orders, we do not offer bakery items that are Gluten-Free, sugarless, dairy free, egg free or VEGAN. Tweety's Sweeties, LLC produces baked goods that contains flour, butter, sugar, eggs, milk, nuts, peanuts and/or tree nuts. Our items are also prepared in a commercial kitchen where known allergens are used to prepare dishes. Please specify any allergies **PRIOR** to placing an order.
